This candidacy did not make any more of a hit to-day than it has in the past. The secretary of the Senate has the right to sit in the chamber through executive sessions, and it is in executive session that Senators speak their minds regarding the chief executive freely. Quartermaster Clerk at Fort Myer Shoots Himself While Ill in Bed.

Ill in Bed.

[Special to The Times-Dispatch.]

Alexandria. Va. March I.—Charles W.
Barnes, sixty-seven years old, quartermaster clerk at Fort Myer, which position he had held for the past fifteen years, yesterday afternoon fired a bullet into his body just above the heart while in his room at the efficers' club, and died four hours afterward. In order to muffic the sound he tucked the bed clothing over him, having been in bed at the time of the act, having been confined by illness. Two hours after the shooting a colored waiter employed at the club found thin in bed, suffering from the shot and in an unconscious condition. Medical ald was summoned, and he lived but two hours thereafter.

Despondency over being ill for a few days is supposed to have prompted his act.

He was a native of New Orleans, and is survived by his wife, who lives in Louisiana. He served in the Spanish-American War and was well known at Fort Myer.

The funeral will be held at 3 o'clock tomorrow afternoon, and burial will be made at Arlington.
